In this connection, I have scrutinized & inspected the site and observed that, the proposed site is abutting to 40'-0" wide road on North & 33'-0" wide road on West, but the proposed site is not covered by any approved Lay-Out & the applicant has not submitted LRS Proceedings and the plans submitted by the applicant are not signed by the licensed Surveyor.

Therefore, in view of the above reasons, the permission may be rejected and intimated the applicant accordingly and also directed the applicant not to commence the construction work in the site under reference until further orders.
