In this connection, I have scrutinized & inspected the site and observed that, the proposed site is abutting to existing 20'-0" wide road on South, which is proposed as 30'-0" wide road, wherein the proposed site of an area 250.80 Sq.mts. is affecting 1.52 mts. depth to an extent of 25.47 Sq.mts. and the Net Plot area is 225.33 Sq.mts. for which the applicant has enclosed road affected area undertaking duly handing over at free of cost, but the proposed site is not covered by any approved Lay-Out & the applicant has not submitted LRS Proceedings.

Therefore, in view of the above reasons, the permission may be rejected and intimated the applicant accordingly and also directed the applicant not to commence the construction work in the site under reference until further orders.
