Kindly peruse the Building application of Sri. Chagan Raj Soni S/o. Sri. Juharmalji Soni, in the open land in Survey No.1782 & 1789(old), 1299 & 1307(new) of Fort Warangal(V), Situated at Pothana road, Ramannapet, Warangal Dist. for seeking permission for construction of Ground & First Floor Residential Building in an extent of Net Plot area 770.30 Sq.mts.

In this connection, I have scrutinized & inspected the site and observed that, the proposed site is abutting to existing 60'-0" wide Pothana road on South. The proposed site under reference is falling in the Residential use zone as per existing sanctioned Master Plan of

Warangal Town, but the proposed site is not covered by any approved Lay-Out & the applicant has not submitted LRS Proceedings and also the proposed site is nearer to the Bhadri Tank, for which NOC from the Irrigation department is required in respect to FTL & buffer zone.

Therefore, in view of the above reasons, the applicant may be intimated to obtain NOC from the Irrigation department with regards to FTL and buffer zone as the proposed site under reference is falling nearer to the Bhadri Tank, and also directed not to commence the construction until further orders.
