Kindly peruse the Building application of Sri. B. Hari Prasad S/o. Sri Krishna Murthy in the premises house bearing D.No.5-1-11 situated at Kothur, Ambala road, Hanamkonda, Warangal Dist. for seeking permission for construction of Extensions to the existing Ground & First floor Residential Building in an extent of Net Plot area 254.63 Sq.mts. In this connection, I have scrutinized & inspected the site and observed that, the proposed site is abutting to existing 50'-0" wide road on East. The proposed site under reference is falling in the Residential use zone as per existing sanctioned Master Plan of Warangal Town. The applicant has enclosed previous permission copy of the existing Ground & First floor obtained from this office vide Permit No.217/2007, dt.08-11-2007, file No.G1/34659/2007, BA.No.331/2007-08 & Permit No.31/2008, dt.05-03-2008, File No.G1/6172/2008, BA.No.472/2007-2008. During inspection it is observed that the applicant has constructed the existing Ground floor building in deviation to the sanctioned plan by violating all-round building setbacks and proposed plans are not satisfying the building rules in force.

Therefore, in view of the above reasons, the permission may be rejected and intimated the applicant accordingly and also directed the

applicant not to commence the construction work in the site under reference until further orders.
