Kindly peruse the Building application of Sri. P. Prathap Singh S/o. Sri. Balu Naik in the premises house bearing D.No.35-6-395 in plot No.104 situated at Gopalapuram(V), Hanamkonda(M), Warangal Dist. for seeking permission for construction of First & Second floor over existing Ground floor Residential Building in an extent of Net Plot area 229.97 Sq.mts. In this connection, I have scrutinized & inspected the site and observed that, the proposed site is abutting to existing 30'-0" wide road on South, which is proposed as 40'-0" wide road, wherein the proposed site of an area is 250.80 Sq.mts. is affecting 1.52 mts. depth to an extent of 20.83 Sq.mts. and the net plot area is 229.97 Sq.mts. for which the

applicant has enclosed road affected area undertaking duly handing over at free of cost. During inspection it is observed that the applicant has constructed the existing Ground floor building in deviation to the sanctioned plan by violating all-round building setbacks and proposed plans are not satisfying the building rules in force.

Therefore, in view of the above reasons, the permission may be rejected and intimated the applicant accordingly and also directed the applicant not to commence the construction work in the site under reference until further orders.
