

About MDP

Municipal Development Project (MDP) is a project implemented by Government of Telangana (GoT) with support from World Bank.

Objectives

High-priority urban services in selected ULBs of Telangana State

Urban services to improve will be chosen and implemented by eligible ULBs who self select themselves in a demand driven manner based on access criteria established under the project which would be approved by the Steering Committee in the Government of Telangana. The project will support improvements in the financial, technical, and management capacities of all ULBs of Telangana through technical assistance

Capacity of ULBs to develop and manage urban services

The project will also pursue improvement of the state-level framework that defines ULBs' autonomy, accountability, and incentives for performance, as well as GoTG's capacity to monitor, and provide policy and technical support for, ULBs performance and development. The project will also lay the groundwork for capacity building of the urban poor through studies and community training centers.
